IT'S TIME TO TREAT DIABETES

DIABETES is alive only because we have let it live. We have accepted it and let it in to our homes and into our lives. Now, We live with it and tell ourselves it's fine!

A slight negligence from our part could cripple us. It's time to see the obvious, time to do what should have been done long ago.

Why do you need to take care of your diabetes?

Diabetes is a silent killer, which can affect various organs and systems in human body like heart, brain, eye, kidneys, feet etc. But the good news is that when you take care of your diabetes you can avoid these complications.

DIABETES, FOOT AND EYE CARE CAN BE DONE UNDER ONE ROOF!!!

What makes Aditya Jyot Eye Hospital Different?

- Total Eye care under one roof
- Cross consultations without extra charge
- Well Trained Personnel at every step
- Latest Technology used for diagnosis and treatment
- 24 hour Emergency services
